

CCAF Grantee Meeting 2012

All CCAF grantees are invited to participate in a Grantee meeting.

Last year's meeting took place on October 18 – 19, 2012 at the Oakland Airport Hilton. 47 representatives of 26 organizations came to the meeting to share their CCAF-funded projects with the CCAF Board and with each other. The grantees were grouped in panels, and each organization had 10 minutes to speak about their project, plus some time for questions and discussion.

During breaks and social time, participants had a chance to network and to discuss topics of interest to the attending organizations.

This has been such a successful event that CCAF is planning to hold another Grantee Meeting during the next round of funding, in October 2013.
